## 2023 Cyber Security Hall of Fame

On **16 November 2023**, the National Cryptologic Foundation (NCF) will partner with Global Cyber Security Hall of Fame to host a special evening of honors. Join us to celebrate the 2023 Cyber Security Hall of Fame honorees. View [current sponsors](#) for this year's event.

The Cyber Security Hall of Fame represents the mission: "**Respect the Past - Protect the Future,**" and honors innovative individuals and organizations possessing the vision and leadership necessary to create the foundational building blocks for the Cyber Security industry.

Nominations are sent in by leading cyber security companies and organizations around the country. These nominations are evaluated by the Cyber Security Hall of Fame Advisory Board leaders who have had a significant impact in building the cyber security community.

*\*\*\* Registration is open with sponsorships and tables available. \*\*\**
