1:00 U.S. Army Field Band Ambassadors Jazztet (Magic Room)

Displays and Exhibits

Outdoor Attractions:

Event Ticket Table — Pick up and turn in your “Making the Rank” card for a free Snow Cone (kids only while supplies last).

32nd WMD Civil Support Team, U.S. Army National Guard — Step into an Army chemical, biological, radiological, nuclear (CBRN) lab truck and see how our National Guard and Reserve forces protect against CBRN attacks.

241st Military Police — Meet Army Soldiers who serve as military policemen at Ft. Meade and learn what they do on and off the battlefield.

Army Reserve Family Programs — Engage in activities that provide good-to-know information about programs and services for Army Reserve Families.

Baltimore County Veterans Center Department of Veterans Affairs — Learn about your local Veterans Affairs branch and how they can help veterans.

Ft. Meade Police — Find out how Ft. Meade Police keep the garrison and everyone in it safe.

Government Employees' Benefits Association — Spin the prize wheel for prizes and learn about GEBA benefits and services.

Maryland State Police — Meet members of the State Underwater Recovery Team and see equipment they use.

Military Cyber Professionals Association — Learn how MCPA supports military cyber professionals and their families, such as K-12 STEM outreach and professional development.

NSA Police — See and learn about weapons and gear and the officers who use them.

- Mobile Command Unit
- Weapons of Mass Destruction Truck and Gear

Tower Federal Credit Union — Play Plinko to win prizes and learn about Tower Federal services for government employees.

USAA — The United Services Automobile Association provides services to members of the Armed Forces and their families. Can they help your family?

Indoor Attractions:

4th Infantry Division Military Police Platoon — See World War II equipment and other period items.

70th Intelligence, Surveillance, & Reconnaissance Wing, U.S. Air Force — Meet Airmen of the U.S. Air Force's 70th ISRW and the specialties and missions they provide to protect our nation.

Civil Air Patrol — See members of the Col. Mary S. Feik Composite Squadron perform emergency services and color guard demonstrations.

Cold War Museum — See and learn about the tense times of the Cold War through artifacts from the period.

Ham Radio Demonstrations — Learn about self-reliant short-range and regional radio communications, historical and modern, and talk with other amateurs by radio.

Junior Sailors Association — Let U.S. Navy Sailors teach you how to tie nautical knots.

K-12 STEM Outreach — Code makers and codebreakers, can you solve puzzles and other cryptologic challenges?

Korean War Display — See equipment, aircraft models, and uniforms from "The Forgotten War."

National Cryptologic Museum Foundation — Learn how the Foundation supports the museum, and their work in building a new conference center and museum. Also win "sweet" trophies and show your colors by getting a raffle ticket to win a wooden hand-made red, white, and blue American flag to hang on your wall.

NSA Police Sobriety Goggles — Put on these special goggles to find out why you shouldn't drink and drive.

NSA Police K-9 and 2nd Military Working Dog Detachment — Learn about the "furry members" of the NSA Police and U.S. Army Military Police. See demos by NSA Police K-9 members.

SHAPE Fitness Centers — Pump out jumping jacks and sit-ups for a prize.

Spot Tours — Stop by major exhibits to learn from our volunteer docents about making and breaking codes, cryptologic machines, great cryptologists, and their impact on world history.

U.S. Naval Sea Cadets — Get hands-on training in STEM activities with the Central Maryland Corsairs Squadron.

Food & Refreshments

Food & Drinks — Marine Cryptologic Support Battalion, USMC (Located at American Civil War Exhibit)

Snow Cones — Free (while supplies last) to children who complete the "Making the Rank" card (Optimist Club of Freedom District. Courtesy of National Cryptologic Museum Foundation (also for sale)). (Located Outdoors)
