

End of Year Reflections

What a year it has been!

As we near the end of the year, we are thankful to share great outcomes from 2022, as well as exciting plans for 2023. We are fortunate to have you as a supporter of the National Cryptologic Foundation (NCF), and hope you will continue to help provide the financial support needed for us to continue our mission. If your end-of-year giving is not yet complete - there is still time to give. See below to learn more about what your support helped us to accomplish and for a look ahead at what's coming soon.

Very best regards & Happy New Year!

Data Care Booklets for All Ages

Since 2021, we have distributed 20,000 [Outsmart Cyberthreats printed booklets for students](#), and in 2022 partnered with START Engineering to develop an [Outsmart Cyberthreats Teacher's Guide and Student Workbook](#), as well as a [Data Care booklet for Adults - How to Be Cyber Safe & Savvy](#). All can be accessed via our website. Click on the images for more details.

#CyberChats

We launched our own "[#CyberChats](#)," a virtual classroom featuring conversations with cyber experts such as Mr. Rob Joyce, NSA Director of Cybersecurity. In early 2023, we will launch our [#CyberChats Podcast](#) - geared toward students, with each episode featuring an Industry Expert, a Youth Professional, & an engaging Challenge.

Partnerships

Our mission will soon include opportunities to engage and convene partners - public or private - who are interested in working to solve cyber and cryptologic issues impacting national security.

We will continue to

Commemorate

our cryptologic history by providing support to the National Cryptologic Museum, and by paying [tribute to those who have served](#).

We shared more news in our December e-newsletter. If you missed it, [you can read it on our website - click here](#).

Thank You!

None of this would have been possible without your invaluable support.

Happy Holidays and we look forward to connecting with you in 2023!

There's still time to donate.

The NCF accepts online donations via credit card, Paypal, Venmo, and cryptocurrency. We also accept checks via mail and stock donations through our brokerage account. Your donation can also be designated to support General Operations or Education.
