

**Giving Tuesday ~ November 29, 2022**

**Gi♥ing  
Tuesday**

Give the gift of a student membership to the cyber, gaming, or cryptology lover in your family!

[#givingtuesday](#)

Hello Friend -

This season of giving is the perfect time to support programs like ours where even a \$25 dollar gift helps us to educate more children and teens to meet the cyber opportunities in our digital world. *Donate now, or check out our special Giving Tuesday membership offers below.*

## Giving Tuesday Membership Specials

New Members will receive a printed copy of either our *Outsmart Cyberthreats* data care booklet for students OR our *How to Be Cyber Safe & Savvy* data care booklet for adults. *Learn more about these booklets via our website - find links in the ["Explore What's New" area of our Homepage](#).*

\* Student Membership - \$19 [Become a Student Member.](#)

\* Individual Membership - \$29 (regularly \$35) - new members only. [Join Now.](#)

*All members receive 10% off at the National Cryptologic Museum gift shop.*

## GIFT MEMBERSHIPS

Do you have a friend, colleague, or family member who is a cyber, gaming, or cryptology lover? We offer gift memberships! The recipient of your gift membership will receive the booklet you select for them.
