

Craig P. Abod
President
Carahsoft Technology Corp.

Craig P. Abod is president and founder of Carahsoft Technology Corp. Now in its 21st year, Carahsoft has grown from \$0 to \$19.5 billion in bookings and employs more than 3,600 team members.

Working with a robust ecosystem of thousands of resellers, integrators, solutions providers and a deep portfolio of contracts, Carahsoft proactively markets, sells, and distributes IT to government markets in the U.S. & Canada, as well as education, healthcare, critical infrastructure, not-for-profit and commercial markets.

In recognition of these accomplishments, the company is consistently recognized as the top performing partner for its vendor partners and Abod has received the EY Entrepreneur of the Year Award for Greater Washington, The Federal 100 Award twice, the FCW Eagle Award, and is a ten-time winner of the Executive Mosaic Wash100 award.

As a top-ranked GSA Schedule, SEWP, ITES-SW2 and NASPO ValuePoint contract holder, the company, which now employs more than 3,400 team members, has established strategic, long-term relationships with the industry's leading software and hardware manufacturers including Adobe, Amazon Web Services, Dell Technologies, DocuSign, Google Cloud, HPE, Microsoft, Nvidia, Open AI, Open Text, Palo Alto Networks, Salesforce, SAP, ServiceNow, Snowflake, Splunk, Veritas, Trellix, VMware by Broadcom, UiPath, Zscaler and Zoom, among hundreds of other established and emerging technology providers.

In recognition of his accomplishments, Abod has received the EY Entrepreneur of the Year Award for the Greater Washington Region, The Federal 100 Award twice, the FCW Eagle Award for Industry, and is an eleven-time winner of the Executive Mosaic Wash100 award recognizing significant contributions in the government contracting.

Carahsoft is also consistently recognized as the top performing partner for many of its vendor partners and is listed among the top government contractors and industry's fastest growing and largest firms by Forbes, CRN, Inc., Washington Technology, The Washington Post, and the Washington Business Journal.
