Dear Friend ~

GivingTuesday is a global day of "radical generosity." From the simplest act of kindness to a major gift, we all have the power to make a difference.

The NCF invites you to extend your generosity to students in need of education about cybersecurity or "data care." As young people spend more time online, it has become increasingly important to provide data care education early on.

Our recently published data care booklet, **"Outsmart Cyberthreats,"** helps students to not only learn more about protecting their own data, but introduces them to potential cyber-related fields of study and professions. Learn more about the booklet.

Educators often cover costs of supplies for their classrooms. Your **donation of $28** will help relieve that burden from the educators and **cover shipping for 150 booklets** - getting them into the hands of students who need them today.

THANK YOU for your support this #GIVINGTUESDAY 2021!

DONATE FOR STUDENTS!

UPCOMING EVENTS, #CYBERCHATS, PROGRAMS, & MORE

- **MUSEUM remains closed due to COVID-19. However, virtual opportunities are available - see below.**
- **ONGOING** - Museum virtual events via EventBrite. **MORE**.
- **30 NOV 2021** - #Giving Tuesday - Help More Students Receive Cybersecurity Information. **MORE**.
- **2 DEC 2021** - NCF & Teach Cyber - #CyberChat for Educators: "Why We Need to Teach Cybersecurity & How to Become Certified." **MORE**.
- **7 DEC 2021** - NCF #CyberChat: "Bots: Battle for the Internet - A Deep Dive." **MORE**.
- **7 DEC 2021** - 80th Anniversary of Pearl Harbor. **MORE**.
- **10 MAY 2022** - NCF 2022 General Membership Meeting & Annual Symposium
- **11-13 MAY 2022** - Cryptologic History Symposium. **MORE**.
