A NEW SCHEDULE FOR THE NCF GMM & SYMPOSIUM

Beginning in 2022, we will begin holding our **Annual General Membership Meeting (GMM) & Annual Symposium** in the **Spring** to align with the Center for Cryptologic History's (CCH) bi-annual symposium. The CCH Symposium is moving to a Spring event to avoid potential conflict with the DoD budget cycle that has at times resulted in challenges in hosting events at the start of the fiscal year. We value our partnership with the CCH and look forward to working with them.

The date for our 2022 GMM is May 10th, 2022, with the CCH Symposium following on May 11th-12th.
